

REID SCHOOL DRESS POLICY

At Reid School, we want to ensure that students look their best! Please see the description of clothing that is available from Dennis Uniform (online and in the office). Regular clothing is acceptable to wear each day in preschool.

All polo shirts must have the silk screened logo or the embroidered crest on them. All Lower School (K-5th grade) students are required to have the embroidered crest on either the respective navy blue or red sweater or navy blue vest (boys). All Middle School (6th-9th grade) students are to have the embroidered crest sewn to the left pocket of the field trip uniform blazer. If desired, silkscreening can be done through Reid School. Please contact the office for more information.

Clothes should be neat and clean, fit well, trousers not touching the floor or too short, and shirts are to be tucked in the students' trousers or skirts. Sweaters or blouses/shirts cannot hang over a student's hands.

Reid School students dress modestly. A boy's hair does not cover his ears, neck, or eyebrows, nor can it be dyed. (See picture of approved boy's haircut.) No earrings or necklaces are worn by boys. The only earring worn by girls, if desired, is a small stud. Makeup is not allowed nor is dyed hair allowed for girls. No chokers should be worn, but girls may wear a small pendant necklace. Students' attire and personal grooming are always appropriate to the above descriptions.

All students should have comfortable navy blue, black or brown leather best shoes to be worn on field trip days and programs. Field trips require walking and standing so the shoes should be sensible. Check the requirements for field trip. For field trip uniform, the sweater with embroidered crest is mandatory for Lower School students. Middle School students wear a blazer. **THERE WILL BE A FIELD TRIP UNIFORM CHECK OF ALL STUDENTS ON TWO DAYS IN SEPTEMBER (SEPT. 7, 8).**

Pants cannot have flared legs that cover the shoes. They must be tailored. Pants need to fit. They should fit at the waist, not around the hips. No baggy pants. It is too loose if more than two fingers can be inserted in the waistband. No drawstring or elastic band trousers. Pants must not have rivets. **Students must wear a belt if there are belt loops on the skirts, trousers, or shorts.** Belts should be a conservative color and not detract from the trousers or skirts. Trousers cannot be tight leggings or sweat pants. Cargo pants are not allowed on field trips. If cargo pants are worn on regular uniform days, the pockets must be empty and flat.

No sweaters, sweatshirts or hoodies can be worn in the school for extra warmth unless it is the uniform sweater with crest or the navy blue pull-over sweatshirt with logo. Sweaters may not be tied around the waist or draped over the shoulders. Any type of coat or jacket is acceptable for students coming and going to school, **but they must not be worn in classes.** Inside the school, coats and jackets will be hung up next to students' backpacks or stored in lockers.

Navy blue or khaki shorts can be worn in August, September, October, April, and May if the weather is warm. The length of shorts and skirts must be at least finger tip length and no shorter than four inches above the knee. The navy blue skirt can have two or more pleats; no straight tight skirts. Check Dennis Uniform to see the appropriate navy blue and khaki shorts and skirts.

Daily shoes can be sport shoes such as sturdy athletic shoes (No flip-flops, platform shoes, beach shoes, or Crocs). **Students should keep a pair of non-mark, non-scuff gym shoes at school. They will be used only inside the gymnasium or multi-purpose room. This will protect the floor but also provide P.E. shoes the days field trip shoes are worn. Other types of "tennis" shoes can be worn daily inside the classroom and outside for P.E.** Socks are white, navy blue, or khaki. Socks must be worn and visible at all times above the shoes. Socks will be sold to students if they are missing or not seen at least one inch above the shoe.

Boots should not be worn during the school day, since students can be offended by sweaty feet, and since shoes are more comfortable for students as they are learning. Boots can be worn to school, but not inside the school. No boots on free dress day.

Sandals and loose flats are not allowed since students can be hurt during recess or P.E. time outside or they could choose to avoid the physical exertion needed during those times when they wear sandals. The same is true on free dress days. No sandals or loose flats.

Parents: please check your child before he/she leaves for school. It could save a second trip to school. Free clothing in Room 20 is for parent pick-up only – not for a student's use when he/she forgets to wear appropriate clothing. The area is off-limits to students. Forgetting to wear the appropriate uniform requires the next two days in field trip uniform.
